## PPE preparation for KS4

Highlight the key terms in the question to focus your answer, plan out exam questions ahead of the PPE, understand who the key individuals are, review the topic factual recall tests to consolidate your knowledge.

## Study skills for KS4

Create mind-maps which place large chunks of content into one space, use flash-cards for self-testing, make plans for exam questions, do homework exam questions by revising the content and then answering the question from memory.
