- **Harrisons, 467a Blackburn Road, Bolton, BL1 8NN**
- *Whittakers (formerly Parkers), 106 Deansgate, Bolton, BL1 1BD*
- *Smart, Units 5,6,7 Blackhorse Street, Bolton, BL1 1SY*

Further guidance about uniform:

GENERAL NOTES ON UNIFORM, PERSONAL APPEARANCE AND CORE RULES

- No jewellery except watches may be worn by boys or girls. For safety reasons, earrings may not be worn in school. Students must remove these before going to lessons. Tattoos, body piercings and jewelled teeth are not allowed.
- No nail varnish, false nails, false tan or make-up may be used at school. Fingernails must be short, neat and clean. Students will be required to remove makeup and nail varnish using wipes provided by school.
- Hair styles must be in accordance with standards laid down by the Senior Leadership Team. No extreme haircuts, (including 'V' cuts, lines or shaved styles) are allowed. Hair length at the back and sides must not be below a number 2. Hair must be one natural colour. Students will not be allowed to access classes in the event of these rules being broken.
- A hard wearing school bag is required for books/homework, as well as for basic equipment such as pens/biro, pencil, ruler, calculator, rubber, highlighters and coloured pencils. This basic equipment MUST be brought to school each day along with any necessary books, kit or equipment. NOTE - Parents are requested to maintain a close check on the condition of their child's text and exercise books.
- Fashions change with such rapidity that it is not possible to cater for every possibility in print. The school must, therefore, reserve the right to decide what is and what is not allowed, both in uniform and general appearance, in cases not catered for by specific rules. It would be advisable, when in doubt, for parents to contact the school before spending money on styles/items that might not be allowed.
- If, for exceptional reasons, large amounts of money or valuables need to be brought into school, they should be given into the Year 7 office for safe keeping. However, please note that this is a facility offered to aid security; any teacher providing such a service is not accepting responsibility for the money or valuables. Any valuables left in pockets or bags are left at students' own risk.
- Mobile phones are not allowed to be used in school at any time. This includes Apple Watches. When on site, mobile phones must be switched off and out of sight securely in a school bag. Any student seen using a mobile phone in any way and at any time during the school day will have it confiscated. The

parent/carer must collect a confiscated mobile phone. The phone will NOT be returned to the student.

- Students are not permitted to wear headphones and/or airpods during the school day. Any student using personal headphones without permission in class will have them confiscated.
- Energy drinks, fizzy drinks and chewing gum are not permitted at any time in school. Students are not permitted to bring in large quantities of sweets, chocolate and/or crisps. Students with these items will have them confiscated and they will not be returned.
- While every effort will be made by normal supervision, discipline and inquiry to safeguard students' property, the school authorities cannot accept responsibility in the case of damage or loss. Parents may deem it advisable to insure against such loss with their House Contents Insurance Policy. It is the student's responsibility to hand in valuable items to a member of staff at the start of a PE lesson. School will not accept any responsibility for loss or damage to any item not handed in.
- Students must not buy or sell any goods in school. Any student found to be doing this, will have the goods confiscated before being issued with a senior leadership consequence.
- Students are not permitted to use the toilet during lesson time unless they qualify for a toilet pass by providing medical evidence to the Year team. Students must use the toilet before school, at break time, at lunchtime and after school.

Admissions Policy

About Our School

Thornleigh Salesian College is an 11-18 co-educational Roman Catholic Secondary School under the trusteeship of the Salesians of Don Bosco and maintained by Bolton Local Authority. As a Voluntary Aided school, the Governing Body of Thornleigh Salesian College is the Admissions Authority and is responsible for taking decisions on applications for admissions.

Our identity as a Catholic Salesian school and the inspiration we receive from the life of St John Bosco shapes our ethos and spirit, placing the developing child at the centre of everything we do. We aim to provide a vibrant experience of Christian community where everyone can flourish. Cooperation, consideration, mutual respect and care for each other determine the quality of our relationships.

Admissions Policy for the 11-16 School

The Governors recognise that the first responsibility of the school is to serve the Roman Catholic community for which it was established. This is focused on the nominated parish communities and the associated Roman Catholic primary schools which are partners in providing for those communities. In establishing the oversubscription criteria, the Governors have also taken note of the emphasis placed on supporting children in public care, as detailed in the Code of Practice produced by the Department for Education.

The Governors recognise that the first responsibility of the school is to serve the Roman Catholic community for which it was established. This is focused on the nominated parish communities and the associated Roman Catholic primary schools which are partners in providing for those communities. In establishing the oversubscription criteria, the Governors have also taken note of the emphasis placed on supporting children in public care, as detailed in the Code of Practice produced by the Department for Education.

Thornleigh Salesian College's nominated parishes are as follows:

- Holy Infant and St Anthony (Astley Bridge)
- Parish of Corpus Christi which consists of the churches of St John the Evangelist (Bromley Cross) and St Brendan (Harwood)
- The former parish of St Osmund, now part of Blessed Dominic Barberi parish (Broughton)*
- Parish of St Cuthbert consisting of St Joseph (Halliwell) and St Thomas of Canterbury (Heaton)

*The parish boundary map outlines the area of this parish which forms the catchment area for admission to Thornleigh Salesian College. The map is available from the school on request.

Thornleigh Salesian College's associated Roman Catholic Primary Schools are as follows:

- Holy Infant and St Anthony (Astley Bridge)

- St Brendan (Harwood)
- St Columba (Tonge Moor)
- St John the Evangelist (Bromley Cross)
- St Joseph (Halliwell)
- St Osmund and St Andrew (BRIGHTMET)
- St Thomas of Canterbury (Heaton)

Allocation of places will be in accordance with parental preference as far as possible. The limitations on this will be those provided for by Section 86(2) of the Education Act 1998, which states that an authority need not comply with the parental preference for reasons which include:

- where to admit the child would prejudice the provision of efficient education or the efficient use of resources;
- where the child has been permanently excluded from two or more schools.

It is obviously inefficient to have Year 7 groups at one school overcrowded while other schools have spare places.

The co-ordination of admission arrangements is undertaken by the Local Authority. All preferences listed on the Local Authority Preference Form will be considered on an equal basis.

For the school year commencing September 2026, the Governing Body has set the Year 7 admission number at 270.

Where Thornleigh Salesian College receives more applications than it has places available, the following oversubscription criteria will be applied in order of priority once, within the Published Admission Number, places have first been allocated to children who have an Education, Health and Care (EHC) plan which names the school.

- Children looked after or previously looked after *[See note 1]*
- Roman Catholic children who live in a nominated parish, and attend an associated Roman Catholic primary school *[See note 2]*
- Roman Catholic children who live in a nominated parish *[See note 3]*
- Roman Catholic children who attend an associated primary school but do not live in a nominated parish
- Roman Catholic children who have a sibling in the school at the time of admission *[See note 4]*
- Other Roman Catholic children
- Children of permanent members of staff who have either been in post for two years when the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- Other children in an associated Roman Catholic Primary School
- Other children with a sibling in the school at the time of admission *[See note 4]*
- Other children

The sibling link in categories (e) and (i) above does not apply if the older child is in the Sixth Form and has transferred after Year 11 from another 11-16 school.

Decisions on admission to the school in Year 7 for September 2026 will be made in accordance with the above criteria. Late applications will be considered in the light of whether any places remain available. *[See notes 5&6]*

If in either category there are more applications than places available, priority will be given on the basis of proximity to the school. This will be determined using the straight line route provided by the Local Authority.

If there are two or more children equidistant and only one place remaining the school will either:

- use a random lottery, picking names out of a hat in the presence of an independent witness, as the final tiebreaker; or
- where twins, triplets or children from other multiple births are resident at the same address, and allocating the final available place to one of them would mean some sibling(s) being excluded, then all will be allocated a place at the school.

For children who are the subject of shared parental custody the school will use the address where the child benefit is paid as their main place of residence.

Parents should check carefully whether they are resident within the parish boundary of one of the nominated parishes.

Parents who change address before their child takes up the place allocated, and who would consequently prefer a different school, should inform the School Admissions Team immediately on 01204 332137. If the move has not been completed, supporting evidence such as a solicitor's letter or a letter from the Housing Department will be needed.

Notes:

- (1) A child looked after is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989). A previously child looked after is one who has ceased to be looked after because they were adopted or have become subject to a residency order or special guardianship order. Previously children looked after also includes those children who appear (to the governing body) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- (2) A 'Roman Catholic' child is one who has been baptised into the Roman Catholic Church or who has subsequently been formally received into the Roman Catholic Church. In both instances, evidence of such baptism or reception will be required.
- (3) The parish of Blessed Dominic Barberi covers two primary schools. For the purpose of this admission policy the parish boundary that historically was St Osmund's parish is the boundary for admissions. The parish boundary map is available from the school on request.

- (4) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as the sibling. Older children can be considered to 'qualify' a younger child under the sibling link in priorities (e) and (i) of the criteria provided proof is available to demonstrate that the children are permanently resident at the same address and part of the same family unit.
- (5) If in any year Thornleigh Salesian College receives more applications for places than there are places available the Local Authority will operate a waiting list on behalf of the school. All unsuccessful applications will be automatically added to the waiting list. The child's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out below.

The criteria for ranking the waiting list for Year 7 and for in year admissions to later years are:

- a. Children looked after or previously looked after *[See note 1]*
 - b. Roman Catholic children who have a sibling in the school at the time of admission *[See note 4]*
 - c. Other Roman Catholic children
 - d. Children of permanent members of staff who have either been in post for two years when the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
 - e. Other children with a sibling in the school at the time of admission *[See note 4]*
 - h. Other children
-
- (6) Parents/Carers have a statutory right to submit an appeal for a place at their preferred school if their application for a place has been unsuccessful. An appeal form should be automatically sent by the Local Authority if they have been refused a place. See link to Bolton Council for full information on the admissions and appeals procedures:

<https://www.bolton.gov.uk/admissions>

Sixth Form Admissions Policy

Thornleigh Sixth Form is an integral part of the school and students who have been educated at Thornleigh Salesian College, during Year 11, will automatically be eligible for the Sixth Form so long as they meet the minimum entry requirements and there is an appropriate course available.

Applications are welcomed from students who attended other high schools and wish to apply for a place at Thornleigh Sixth Form. To be admitted to Thornleigh Sixth Form, all students must meet the minimum entry requirements.

The Planned Admissions Number (PAN) for external candidates is 100.

Any student who has an Education, Health and Care (EHC) plan, which names Thornleigh Sixth Form, will be admitted to Year 12 provided they meet the minimum entry requirements and there is an appropriate course available.

Oversubscription Criteria

In the event that the Sixth Form receives more external applicants than it has places available the following oversubscription criteria will be applied:

- (a) Children looked after or previously looked after
- (b) Children already on roll at Thornleigh Salesian College in 2026
- (c) Children on roll at Mount St Joseph School or St Joseph's Horwich in Year 11
- (d) Other Roman Catholic children
- (e) Children of permanent members of staff who have either been in post for two years when the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- (f) Other children

A child looked after (CLA) is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989). A previously child looked after is one who has ceased to be looked after because they were adopted or have become subject to a residency order or special guardianship order.

If in either category there are more applications than places available, priority will be given on the basis of proximity to the school. This will be determined using the straight line route provided by the Local Authority.

If there are two or more children equidistant and only one place remaining the school will use a random lottery, picking names out of a hat in the presence of an independent witness, as the final tie-breaker.

Application for places is based on meeting the individual requirements of the courses that the student wishes to pursue. No guarantee of a place is given to students with either the same birth dates or children born in the same academic year from the same family.

Minimum Entry Requirements for Year 12

To be considered full-time, a student must enrol for a programme of study which incorporates a minimum of 540 hours per academic year. This can be made up from studying three subjects combined with a package of other learning sessions. A course which is being re-taken does not count towards the hours.

Each subject has its own entry requirements which are detailed in the Thornleigh Sixth Form Prospectus. If a student meets the entry requirements for each of the subjects that they wish to study, and their programme of study meets the minimum of 540 hours, then they have met the minimum entry requirements.

Prior to GCSE results day applicants will be invited to a meeting to discuss options and academic entry requirements, but this meeting will not form part of the decision making process on whether to offer a place.

Waiting Lists

If the Sixth Form is oversubscribed a waiting list will be held until 31st October using the oversubscription criteria defined above.

Late Applications

If an application is received after the deadline (31st March), this will be considered late. Late applications will be considered after the allocation of places and notified after the main allocation date (30th June), unless exceptional circumstances apply, e.g. hospitalisation of a parent or a family has just moved into the area. In such cases, evidence will be required.

Applications received after the normal admissions round

Applications received after the start of the school year will only be considered if places on the requested courses are available and the student meets the academic requirements of the course.

Appeals The student and/or the parents of students, internal or external, who are not offered a place, have the right to appeal against non-admission.

Data Table

	2019	2023	2024	2025
Progress 8	0.11	-0.07	-0.22	-

Inclusion Team Information

Our Work, Our Calling

The Inclusion Team is an integral part of the school's Care, Guidance, and Support area, working with students who have additional needs and SEND. By reducing barriers to success in the classroom, the team helps students access school more fully, ensuring they feel valued, loved, and cherished as part of our school community.

Students may receive additional support from the inclusion team if they need something additional to their peers in any of the following areas:

- Organisational Skills
- Speech & Language
- Basic Literacy
- Physical, medical or sensory needs
- Basic Numeracy
- English as an Additional Language
- Social & Emotional Skills

This includes those students who have been formally identified as having ASC, ADHD, Dyslexic Tendencies and/or any other specific learning difficulties.

By SEND we mean those students who have significant learning difficulties or an Education Health Care (EHC) plan. An EHC plan will be for students and young people who have a Special Education Need that cannot be met by support that is usually available in a school or college.

What we do...

If your son or daughter experiences significant difficulties in their learning or in coping with school life in general, the Inclusion Team can:

- Support teachers planning for learning through the use of Higher Level Teaching Assistants.
- Provide specialist advice to their classroom teachers - where necessary, through a Personalised Support Strategy.
- Provide interventions focused on boosting their reading, spelling, language, numeracy and social skills.
- Deliver mentoring sessions to help them cope better with social-emotional pressures.
- Where appropriate, provide some additional in-class support to provide them with extra help during more difficult subjects.

- Where appropriate, provide them with a *Key Worker* - a named member of staff they can meet with each week for help on homework, organising their diary etc.
- Listen to, and respond to, parental concerns regarding learning needs.
- Undertake specialist assessments and classroom observations to identify gaps in their learning - and, where possible, identify specific learning difficulties providing feedback to parents.
- Refer them for further assessment and support from Local Authority services, NHS services and community support groups.
- Provide advice, guidance, support and signposting for parents to additional services and external agencies.

Who to contact

The SENCo is Mrs Anthony and the Assistant SENCo is Mrs L Pickup, who can be contacted on 01204 301351 or by email:

vanthony@thornleigh.bolton.sch.uk

lpickup@thornleigh.bolton.sch.uk

Please visit the school website www.thornleigh.bolton.sch.uk for the full SEND policy.

Keeping Children Safe in Education

INTRODUCTION

Thornleigh Salesian College will strive to ensure that all students remain safe and free from harm, and the school is committed to playing a full and active part in the multi-agency approach to child protection concerns. The school has a legal duty to safeguard and promote the welfare of children and to have a child protection policy and procedures in place, which are shared with parents.

Through their daily contact with students and families, staff have a crucial role in noticing indicators of possible abuse or neglect and attend annual safeguarding training. Where it appears to a member of staff that a child may have been injured or is at risk of harm, the school is required to report the concern to Children's Social Care immediately. To avoid misunderstandings, parents of children who sustain accidental injuries should inform the school without delay.

Principles

- Children have a right to be safe.
- Parents/Carers have a right to be informed.
- Children are best protected when parents and school work together.

Safeguarding in Practice

- The school takes a child-centred and coordinated approach, offering early help where appropriate to prevent concerns from escalating.
- Concerns that a child has been, or is likely to be, abused or neglected will be referred to the Integrated Front Door (IFD). Parents/Carers will be informed unless this compromises the child's safety.
- Concerns or allegations about staff conduct are managed in line with statutory safeguarding procedures.
- Child-on-child abuse (including physical, sexual, emotional or online abuse) is addressed through our Safeguarding, Child Protection and Anti-Bullying policies. Serious concerns are referred to the IFD and Police.
- Members of staff attend strategy meetings and conferences when required and provide relevant information. Records are kept securely and separately from academic files.

Confidentiality

Information about possible child abuse cannot be kept confidential. Records are shared only with those who need them and kept strictly confidential.

Online Safety

We educate students about online risks (e.g. exploitation, harmful content, radicalisation) and how to stay safe when using technology.

Extremism

Prevent is part of the UK Government's counter-terrorism strategy. Through assemblies, lessons and pastoral care we promote British values of democracy, rule of law, individual liberty, and respect for all faiths and beliefs.

Contact

If parents have concerns about the safety or wellbeing of their child, they should contact the Designated Safeguarding Leads:

- Mr Michael Fitzsimons – Headteacher, Designated Safeguard Lead
- Mr Fearghal Smith – Deputy Headteacher, Designated Safeguard Lead
- Mr Chris Tye – Designated Safeguard Lead
- Mrs Charlotte Sharp – Safeguard Lead
- Mrs Emily Hamer – Deputy Safeguard Lead

Signed: Mr Michael Fitzsimons, Headteacher
