

# Lead

## Student Leadership

Develop key skills, make a difference to Sixth Form life and join our student leadership team. Roles involve charity and fundraising officers, environment and sustainability officers, finance officers, social secretaries and academic officers.

## Literacy Buddy

Support lower school students by helping them to develop their literacy skills in Year 7 and 8.

## Medical Society President

This is a brilliant opportunity for students who are looking for leadership responsibilities within the Medical Society. Here you will lead and facilitate sessions and offer advice and guidance to MedSoc members.

## Debating Society President

This is a brilliant opportunity for students who are looking for leadership responsibilities within the Debating Society. Here you will lead and facilitate sessions.

## Fundraising

A huge thank you for the fantastic fundraising efforts of our staff and students this term, who have raised a substantial sum of money for worthy charities including Breast Cancer Awareness, Children in Need and Urban Outreach. Fundraising activities have included cake sales, fancy dress, throw a sponge at a teacher, arm wrestles, guess the number of sweets in a jar and football challenges. Our Student Leadership Team are busy planning upcoming charity fundraising events.

## Bolton Hospice £50 Challenge

Participate in the Bolton hospice £50 challenge! Our Medical Society members receive a £50 cash stake and their goal is to raise as much money as possible to support Bolton Hospice. Fundraising activities range from raffles, cake sales, 5k runs to cold water swimming!

## Halloween Party

A huge well done and thank you to Keanu in Year 13 and our Sixth Form Leadership Team for putting on a spooktastic Halloween party for our Year 7 and 8 students in October. Students had a wonderful time and helped raised funds for such a worthy cause. We are already looking for helpers to organise next year's party!
