

# Compete

## Chess Club

Budding chess players will have the chance to compete on a weekly basis with staff and peers! A great opportunity to improve your logic, problem-solving and reasoning skills.

## Business and Enterprise

Calling all potential entrepreneurs! The Young Enterprise Scheme offers you the opportunity to set up your own official company. You will be part of a company board of directors and will decide what product or service you want to sell. You will be provided with a business advisor who will help you manage your business and you get to keep most of the profits. At the end of the scheme you will enter the Young Enterprise Competition where you will compete against other schools for the title of company of the year. The competition involves writing a company report, setting up a trade stall and presenting to judges. If you are interested in careers such as business management, finance and accountancy, marketing or personal management, this may be for you.

## Rounders

Have fun whilst developing your batting, running, catching and fitness in our weekly rounders sessions.

## Football

Develop your fitness and team work skills and join our Sixth Form football team!

## Dungeons and Dragons Club

What our Dungeons & Dragons Club Leader, Xander in Year 12 had to say:  
 "Dungeons and Dragons is a board-roleplaying game, where everyone becomes a powerful fantasy character, and must work together to fight through dungeons and potentially fight dragons! In Dungeons and Dragons Club, we play this game, and all work together to have fun and beat the dungeons! The club is open to everyone, no matter if they have played Dungeons and Dragons before or not, and is great fun to play!"
