Enrichment Pathways

You should have decided which enrichment award you are working towards and you should be well on your way with this by now. Two MOOCS need to have been completed before Christmas.

December 26 mile challenge - Support the homeless this Christmas

To raise much needed funds for the homeless this Christmas, a number of Thornleigh staff are taking part in a 26-mile challenge during the month of December and we'd like you to join us.

It's really simple... run/walk/swim/cycle 26 miles (an ultra-marathon) throughout December!

- £2 entry fee which will be donated to the charity (please donate using the link below)
- Free tracking sheet to record your daily miles
- Certificate on completion

If you would like to join us, please email Miss Ferraro. If you would like to donate - here is the link:
