

ENRICHMENT

BULLETIN WEEK BEGINNING 18TH MARCH

My Super Curricular

UCAS and universities have recently released information surrounding the importance of super curricular activities for A Level and BTEC students.

'As our admissions decisions are based on academic criteria, we expect to see evidence of students' super-curricular activities and wider engagement with their area(s) of academic interest, such as wider academic reading (e.g. journals, academic magazines); MOOCs and online training courses; Ted Talks and academic podcasts; relevant cultural activities and visits (e.g. trips); and other exploration relevant to the course applied for.'

[Unifrog](#) and [My Super Curricular](#) platform are excellent places to start.

University College Oxford has its own Super-Curricular Website aimed at students like you: [Staircase 12](#)

Bolton Hospice Work Experience

We still have a couple of Wednesday afternoon spots available for the Bolton Hospice Shop near Asda. If you are interested, please contact Miss Ferraro. This is a wonderful personal-statement building opportunity.

Lower School Numeracy Mentor

This will take place in 602 on Friday during tutorial.

Debating Society - Friday tutorial

This week's session: my biggest concern for the future is...

Medical Society - Friday tutorial

This week's session in the Chemistry Lab: The skeleton.
