2nd October 2020

Dear Parent/Carer

I am sorry to have to inform you that following information that we have received this afternoon about subsequent positive cases in the Year 10 bubble, we have been advised by Public Health that the self-isolation period for Year 10 students must be extended to the end of the day on Wednesday 7th October. This means that Year 10 students cannot return to school until Thursday 8th October. They must continue to self-isolate until this time.

I appreciate how difficult this is and if we could take any other course of action at this point then we would have done so.

All lessons for Year 10 students will continue on Zoom.

I understand that this information coming so late in the day will cause disruption and inconvenience to your families and I am sorry that we did not have the necessary information to share with you earlier but this is beyond our control.

As a school we are continuing to work with the Local Authority and Public Health to ensure that any further disruption to school is minimised as far as possible.

May I thank you for your continued understanding and support at this difficult time.

Yours faithfully

Mrs A O'Callaghan
Headteacher
