Salesian College

SPECIAL EDUCATIONAL NEEDS AND DISABILITIES (SEND) INFORMATION REPORT

Person responsible	Director of Inclusion and SENCO
Date of Last Review	Autumn 2024
Adopted by Governing Body:	Autumn 2024
Date of Next Review	Autumn 2025

General Information/Frequently Asked Questions

What should I do if I think my child has a Special Educational Need or Disability?

If you think that your child may be having difficulties that may be related to an undiagnosed Special Educational Need or Disability you should discuss your concerns, initially, with your child's Form Tutor or Head of Year. Your concerns will be shared with the SENCO / Assistant SENCO who will contact you for further details and discussion. Should you wish to, you could discuss your concerns directly with the SENCO / Assistant SENCO.

The SENCO at Thornleigh Salesian College is **Mrs V Anthony** and the Assistant SENCO is **Mrs Pickup**.

What is the school ethos/approach to SEND and Disability?

To meet the needs of our students with Special Educational Needs and Disabilities, we aim to:

- provide a safe and happy environment in which all students have the opportunity to develop personally, physically, socially, academically and spiritually
- provide a relevant curriculum with a wide range of learning experiences to meet the differing needs of individual students, whilst offering equality of opportunity and high standards of teaching
- ensure that students participate in their learning and increase their responsibility for their learning and behaviour as they move through the school
- ensure that the school offers a broad, balanced and differentiated curriculum that is accessible to students with special educational needs and disabilities and promotes high standards of attainment and achievement
- ensure that the learning needs of students with special educational needs and disabilities are identified and assessed as early as possible and their progress is closely monitored
- ensure staff are involved in planning and meeting the learning needs of students with special educational needs and disabilities
- ensure that the school liaises effectively with other schools and external agencies in order to meet the needs of our students

How will I know how my child is doing in school?

All students are assessed on entry into Thornleigh Salesian College. Students are assessed using Cognitive Ability Tests (CATs), alongside literacy tests using GL assessment. Students entering the school, having been previously assessed as having a special educational need or disability, will undergo further assessment, if necessary, to enable us to have a clear picture of their ability and needs, in order to guide future interventions and provision.

The Inclusion Team will contact parents/carers to inform them of the outcomes of the assessments and discuss interventions that may be implemented. Parents/carers will be contacted on a termly basis to share news of progress made and to ensure that parents/carers have the opportunity to participate in their child's learning.

What support will there be for my child's overall well-being?

Thornleigh Salesian College has a strong pastoral support system. The Lead Learning Mentor, and Student Progress Co-ordinator for each year group, work closely with the Inclusion Team to identify and intervene in the case of specific social, emotional and mental health needs and/or learning difficulties.

How will I be involved in discussions about, planning for, and involvement in, my child's education?

The SENCO and Inclusion staff are happy to meet parents/carers informally at any time during the school week.

- All students with an Education Health Care Plan will have an Annual Review to which parents/carers are invited
- Students on the SEND register will have Personalised Support Strategies. Parents/carers have the opportunity to contribute to the Personalised Support Strategies which form a pupil passport for staff to view.

Who, outside of school, can I turn to for advice and support?

Parents/carers can contact Bolton's 'Information and Advisory Service' should they need advice and support from outside of school. They can be contacted at:

Bolton Information and Advisory Service
Children's Opportunity Group
Lowndes Street
Bolton
BL1 4QB
Telephone: 01204 848722

How does Thornleigh Salesian College school involve children and young people in their education and in the decision making process?

Students will work with members of the Inclusion Team or their Pastoral Lead to create their Personalised Support Strategy. Students with an Education Health Care Plan are given support to prepare for and attend the Annual Review of their needs. Such reviews are conducted in a Person Centred way to ensure that the student's voice is heard so that they feel able to participate fully. During the meeting the students are involved in the decision making and evaluation process.

For information on Children Looked After, please refer to the schools Children Looked After policy on the school website.

Where can I find information about Local Authority provision for children and young people with SEND?

Bolton Local Authority has published the details of their Local Offer on the following website:

<https://www.bolton.gov.uk/sendlocaloffer/>

My child has a physical disability, how will their transition to school / time in school be supported?

- In line with section 69 of the Children's and Families act (2014), students with physical disabilities will have additional transition meetings before starting at Thornleigh. Thornleigh, the primary school, parents and the child will work together to organise the bespoke transition package.
- To ensure that students with disabilities are treated equally, risk assessments and Personal Emergency Evacuation Plan's (PEEP) may be created to ensure that all potential barriers to learning and access are removed.

How should complaints regarding SEND provision be made and how will they be dealt with?

- Concerns or complaints raised by parents/carers, with regard to school policy, can be dealt with directly through telephone calls or meetings with school staff.

- Where necessary, parents/carers will be supported in raising their concerns or complaints to the Local Authority and fully informed of SEND Disagreement Resolution Procedures and SEND Tribunal Procedures.
- Information regarding external support groups such as the Information Advisory Service will also be made available to parents / carers.

How do I get a copy of the school SEND policy?

The policy can be found on the school website.

Who do I contact for further information?

The SENCo (Mrs Anthony) or Assistant SENCo (Mrs Pickup) at Thornleigh Salesian College School can be contacted on 01204 301351
