19th November 2020

Dear Parent/Carer

You may be aware that over the past three years we have asked students in Year 8 to make decisions about the subjects that they are going to study for their GCSE's.

In light of the disruption to school that all students have faced over recent months, we, along with the Governing Body, have made the decision to not go through this option process with the current Year 8 students. They will continue into Year 9 with their full curriculum and then during Year 9 will be able to make a more fully informed choice about the subjects that they are going to continue with at GCSE. All subjects will ensure that the Year 9 curriculum fully prepares students for the GCSE course that will be followed in Year 10 and Year 11.

We believe that this decision will give all students the best possible opportunity to make the right choices for their future.

Yours faithfully

Mrs A O'Callaghan
Headteacher
