Let us *all join together* in the spirit of **Christmas**  
and in these uncertain times *light up* our homes, offices, schools  
and places of work

Let's make our windows *shine* with the message that in wondering what  
happens next, we share **hope** and fill our streets with **love** this

# Streets of Light

is a new Community initiative by The Parish of St Cuthbert Bolton. We invite everyone, especially other Churches, to be part of this event and promote it through their own channels of communication. We are inviting local people to decorate one or more of the windows in their home, business or school and then leave the lights on and curtains open from 4pm to 9pm each day from:

**Sunday 13<sup>th</sup> – Sunday 20<sup>th</sup> December.**

The design can be anything you like, you just have to include one or more of the key words: *Light, Hope, Love.*

Cut out paper, tissue paper shapes and *light up* your window!

Sign up using our simple [online form](#) to say that you are taking part, so that we can include you on our [e-map](#).

We plan to share walking routes in the town and other areas where there are a number of people taking part.

The *Streets of Light* map will be shared through our Facebook page so that you can explore the location of each display

Find us on Facebook for more information

Follow the map and enjoy the view.

Step into the *Light with Hope* and a sense of community.

Let our streets become the **Streets of Light**  
**LIGHT UP!**
