Remain the same.

Chadwick's 0790 Midlayer

Unisex PE Midlayer Top

NEW. Only this version to be sold.

Additional Guidance

Compulsory Items

Shin Pads

Required by boys and girls for football/hockey activities.

Football boots

Required by boys for activities on grass (football/rugby/cross country). *It is advisable to buy boots with rubber or plastic studs* as this allows students to also use them on our astro-turf pitch, thus maximising their usage (*metal studs cannot be used on our astro-turf pitch*).

Trainers

Trainers can be any colour but **MUST** be suitable for sport. Fashion trainers, pumps, converse, etc. are unsafe to play sport in and are often the cause of injury.

Bobble

Long hair must be tied back at all times in every PE lesson.

Optional Items

Gum Shield

Advisable for boys rugby lessons. Especially advisable for boys and girls participating in extra-curricular rugby and hockey practices/fixtures.

Base Layer

A base layer can be worn by boys and girls underneath their PE shirt. This must be black for boys and white for girls.
