

FINANCIAL SUPPORT FOR SIXTH FORM STUDENTS

FREE SCHOOL MEALS

Free School Meals provision continues in the Sixth Form if you are entitled to claim it. You need to provide proof from your local council so that you can claim your £2.37 allowance each day. This allowance will be added to your account and you can claim it against any purchase of food and drink from the canteen or Sixth Form hatch by using your ID card.

For further information, to see if you qualify for Free School Meals or to apply, please see the Bolton Council website [CLICK HERE](#).

THE 16-19 DISCRETIONARY BURSARY

The Discretionary Bursary fund is a sum of money that students can claim every two weeks to support them in their academic or vocational studies. You need to be eligible for this support and an application is made.

If you are in receipt of Free School Meals or you have earned household income of less than £16,190 a year, you **could** be eligible for financial support. This could be towards covering the cost of

- Transport costs associated with transport to and from college
- Educational field trips and visits related to courses
- Curriculum resources to support learning
- Books, materials and equipment needed for a particular course
- Attending university interview and open days

The bursary allocation is reviewed every two weeks and is dependent on a student's attendance, punctuality to college, standard of work and behaviour.

You can find the application form on the school website [CLICK HERE](#).
