Address:

  
  

Date of Birth:

Home Telephone Number:

Postcode:

Mobile Number:

Email Address:

Secondary School(s) with dates:

  
  

## 2 | Course of Study

Before you make your choices:

- Study the Thornleigh Sixth Form Prospectus
- Discuss choices with your subject teachers and parents
- Clarify any issues at Open Evening or by contacting Thornleigh Sixth Form

List **FOUR** subjects you would like to study, in order of preference.

Although the choice is not binding, we will use this information to staff the subject areas and consequently you may not be able to change to an oversubscribed subject. Although we will try to accommodate your first four subjects, the option matrix may not allow certain combinations of subjects and so it is useful to have a fifth subject in reserve.

It is important that you achieve the required standard of 9\*4 in five subjects at GCSE/BTEC or equivalent in order to start A Level/BTEC study and you must meet the specific subject criteria mentioned in the Prospectus.

Qualification	1	2	3	4 Reserve Optional
A Level				
BTEC				
Other				

Please list all the subjects you are studying now, together with examinations already achieved.

Subject	For School Use Estimated/Mock Result	
	GCSE	Other
